

THE ESPLANADE LOUNGE SERIES

H B F

Lisa Bottom has created the Esplanade Lounge Series with generous proportions incorporating clean design detail. This transitional upholstered lounge group features a recessed bottom rail that may be enhanced with veneer inlays of Anigre, Black Pearwood or South American Lacewood. The distinctive personality of this series, complemented by a series of occasional tables, will enable Esplanade to function in executive offices, lobbies and reception areas.

The Esplanade Lounge Series
